Affidavit

This is to state that the INDIAN ASSOCIATION OF BENIN, registered as ACIB (Association de la Communauté Indienne du Bénin) in 1993, in French, as per the language and laws of Benin, having decided in a General Assembly to open a school in Benin with Indian Values, decided by a unanimous vote, to create the school, and to name it The Indian International School of Benin.

Object of this school is to impart first class education to children of Indians and other communities residing in Benin as per Indian Syllabus in English and Hindi, contrary to the French medium existing here, and prepare students for further education in India after obtaining their CBSE Diplomas in Benin.

It would be a professionally run institution and a **not-for-profit** entity using available qualified educational personnel, with a CEO, a Principal and an Administrator, all of whom have their roles defined. A board of Trustees would be established and under the Consulate of India.

Initially, all funds required will be provided by the Association, under whom it will operate, eventually making it a self sufficient entity. The Association undertakes to ensure that in spite of force major, it will maintain its support thus ensuring that the education of children is not affected.

The Association undertakes the responsibility of registering the school a valid institution of the Beninese School system and the Education Ministries. Any problems with the Government whatsoever will be dealt with the Association until deemed fit to do.

We affirm that we are financially sound and dispose enough funds to face any eventuality.

We attest that the Association will undertake to resolve whatever issues not enumerated here, or which may arise in future, where the school is concerned; being the sole sponsor of the school.

In consequence we issue this **affidavit** to Start and operate the INDIAN INTERNATIONAL SCHOOL OF BENIN at Carre No 1684 Akpapa, Zone I, with effect from MAY 2008, With a renewed School Affiliation Number 7830001 & School code 90016, that is approved and authorized to operate by both the Ministry of Primary Education as well as Ministry of Secondary Education of the Republic of Benin.
