Affidavit

This is to state that the ***INDIAN ASSOCIATION OF BENIN, registered as ACIB (Association de la Communauté Indienne du Bénin)*** in 1993, in French, as per the language and laws of Benin, having decided in a General Assembly to open a school in Benin with Indian Values, decided by a unanimous vote, to create the school, and to name it The Indian International School of Benin.

Object of this school is to impart first class education to children of Indians and other communities residing in Benin as per Indian Syllabus in English and Hindi, contrary to the French medium existing here, and prepare students for further education in India after obtaining their CBSE Diplomas in Benin.

It would be a professionally run institution and a ***not-for-profit*** entity using available qualified educational personnel, with a CEO, a Principal and an Administrator, all of whom have their roles defined. A board of Trustees would be established and under the Consulate of India.

Initially, all funds required will be provided by the Association, under whom it will operate, eventually making it a self sufficient entity.
