Request for upgradation of Indian International School, Benin from Secondary to Senior Secondary level – Academic Session 2026/2027

TO WHOMSOEVER IT MAY CONCERN

This is to certify that the INDIAN ASSOCIATION OF BENIN, registered as ACIB (Association de la Communaute Indienne au Benin) in French as per laws of Benin, runs the Indian International School, Benin (Affiliation No. 7830001) as a non-profit organization. The school is staffed by qualified personnel and its day-to-day operations are runed by a principal and an administrator who work collegially for operational efficiency and academic standards.

I, Gobind Manglani, the chairman of Indian International School, Benin wants to respectively submit our request for upgradation of our school from secondary to senior secondary level effective from 2026–2027 academic session.

Indian international school, Benin was established in 2008 and has consistently delivered quality education while maintaining high academic standards. The school has successfully met all infrastructural, faculty and administrative requirements in accordance with the norms prescribed by the Central Board of Secondary Education (CBSE)

We assure that the school holds all necessary approvals from the Ministry of Education of Benin and the relevant local authorities to apply for upgradation to Senior Secondary School Level.

We are confident that this upgradation will enable us to better serve our students by ensuring a smooth transition to the higher secondary level within a familiar and supportive learning environment.

Yours Faithfully

Mr. Gobind Manglani
