Statement of undertaking for the establishment and operation of Indian International School, Benin

This is to state that the Indian Association of Benin registered as ACIB (Association de la Communauté Indienne du Benin) in 1993 resolved at its General Assembly to establish a school in Benin reflecting Indian Values

By a unanimous vote, the association decided to

1. Create a school
2. Name it: Indian International School, Benin

The objective of the school is to provide high quality education to the Indian Community residing in Benin while welcoming students of all nationalities, through the Indian educational curriculum, using English as the principal medium of instruction in contrast to the prevailing French medium system, and teaching Hindi as a subject – so that our pupils become capable and well prepared to thrive in the dynamic international world

Indian International school, Benin is a non-profit educational institution registered under the Indian Association and staffed by qualified educational personnel. The day-to-day operations shall be overseen by a management team comprising of a chairman, a principal and an administrator. The management team shall operate collegially for operational efficiency and academic standards. A board of trustees shall provide strategic oversight and governance of the school. The board shall operate under the auspices of the consulate of India.

The Indian Association undertakes to provide the initial financial resources necessary for the establishment and operation of the school. The institution shall function under the authority and sponsorship of the Indian Association until it becomes financially self-sustaining.

The Indian Association further undertakes that, not withstanding any events of force majeure or unforeseen difficulty, it shall continue to support the institution to ensure that the education and welfare of the students are not adversely affected. The association affirm that it is financially capable and possesses sufficient resources to meet its obligations and responsibilities toward the institution.

The Indian Association undertakes full responsibility for ensuring that the school is duly registered, recognized and maintained as a valid educational institution within the educational framework of the Republic of Benin and with the relevant ministries and regulatory authorities. All administrative, legal and governmental matters concerning this institution shall in the first instance, be handled and resolved by the Association until such time as alternative arrangements are formally approved by the board of trustees.

We affirm that we are financially sound and possess enough funds to meet all obligations related to the establishment, operation and sustainability of the school, including any unforeseen eventualities.

We attest that the Association, as the sole sponsor of the school, undertakes full responsibility for resolving any issues not expressly enumerated herein, as well as any matters that may arise in the future concerning the school.

We issue this statement to commence and operate Indian International School, Benin at carré N. 1684 Akpaka, Zone 1, with effect from May 2008. The school operates under Affiliation Number 7830001and school code 90016. duly approved and authorized by both the ministry of primary Education and the Ministry of Secondary Education of Benin.
